“ Ron was a big part of my husband's circle of school friends who remained close after they graduated from Lincoln High School. I met him when my husband, Pete, and I started dating in 1975. Ron was a quiet presence at our get togethers, and he was warm and friendly whenever we had a conversation. I will cherish those times. It was an honor to know him.

I send my sincere condolences to Jay and to the Weisenbach Family. Go rest high up on that mountain, Ron...
