“ My Uncle Tommy was an awesome uncle. There were days he would say Janie you want to go with me and I would jump in his old raggedy car and go wherever he wanted to go. We would go down these roads that wasn't probably roads. We would laugh so hard because we would bounce all over the car. There was so many memories of him it's hard to pick.

My uncle Tommy was such a big part of my life growing up. My heart is heavy and I will miss him terribly.

I will miss is 2+ hour calls and my dad will too. He enjoyed talking with uncle Tommy.

My thoughts and prayers are with with the family I love you all!

Love you Uncle Tommy!
